Introduction

Ofsted have recently commended Shropshire SLS for our resources, artefacts and school library development work.

The School Library Service (SLS) can help to make your library a vibrant, inspirational and enjoyable place, where children and young people become independent learners and readers.

We provide our customers with a comprehensive resource and advisory service, across all phases of education. By working in partnership with you, we ensure that your school has the resources it needs to meet the demands of the curriculum. With a stock of more than 250,000 resources, as well as access to state-of-the-art online e-resources, we provide you with a cost effective, flexible and responsive service.

We are including a NEW subscription package and a range of new offers tailored to support your students' needs.

How We Can Support You

The School Library Service for Shropshire and Telford & Wrekin supports schools in their aim of progressing and enhancing learning across the curriculum. The service works in partnership with schools, ensuring teachers have the resources they need to help all children.

The service offers skilled and experienced staff to support resource selection and planning. A door-to-door collection and delivery service of topic collections, with online ordering and reservations, is available.

These key features will help schools to:

- Develop their school libraries as key resources integral to the execution of the curriculum by providing required high quality learning resources
- Achieve high standards in literacy through the encouragement of lifelong reading habits by way of the provision of a wide and diverse selection of stock. Optional participation in our key stage curated book quiz
- Efficient use of school budget to access an extensive range of practical and digital resources
- Access to artefacts and practical resources providing a tangible learning opportunity for different types of learners – as mentioned in Ofsted reports.

Our Services

Through our teams' wealth of knowledge and professional experience, we offer advice and guidance to help assist you with resource selection to maximise the potential for learning for all your students.

What Our Teachers Have To Say:

“To the wonderful SLS team!

I made a frantic phone call due to OFSTED arriving at 8am the following morning! With only 2 hours notice you managed to put together 2 topic boxes (with all the right books in!) and also an added extra of the artefacts box. I used both the artefacts and reference books in my lesson, which was observed for 25 minutes, by a history expert inspector. She commented on how the artefacts enhanced the lesson and the quality of learning for all children and how the reference books supported both my SEND and GDS children. It was a great success! Can I say a HUGE thank you for your foresight of the artefact box which I hadn't even asked for! You are an amazing service!”

Kathryn Jones – St. Mary's Primary School, Bucknell

“I want to thank you for all your help and advice you have given me since becoming the Librarian at Newport Junior School.

Due to Covid I was not able to be fully trained for the role in school and therefore returned after lockdown very apprehensive. I needn't have worried because you have provided guidance speedily, professionally but with such friendliness too that I feel I will be able to make a success of our library.

Thank you so much “

Lisa Breen – Newport Junior School

"The Schools Library Service is the best in the country so everyone should rush to see you... but not too fast because you've got a fab shelf of books there I'd like to borrow first! When I had a ESL child join the class I phoned SLS who sent books over that afternoon in their library van. That's probably a rare example but I think the particular librarian I spoke to always goes above and beyond."

Simone Goward – Greenacres Primary
